STATEMENT OF SUBSTANCE OF INTERVIEW

During the telephonic interview of September 12, 2006, the Examiner and attorney for Applicant agreed to the following:

- (1) Claims 2, 14, 17, 25, and 26 would be cancelled.
- (2) In Claim 7, the phrase “and have a structure that is one or more substituted or unsubstituted heterocyclic rings containing one or more nitrogen atoms” in lines 2-4 would be deleted.
- (3) Claims 1, 4, 6, 7, 9 – 11, 13, 16, and 18 – 24, renumbered as Claims 1 – 16, would be allowed because they were amended to delete non-elected subject matter and to overcome the Examiner’s rejections based on indefiniteness. The Examiner would withdraw all further rejections and objections.

Respectfully submitted,
